FORESTRY TREES, EVERGREENS,

## Cuba, Kansas

SHRUBS, PLANTS FOR NATURALIZING

All quotations F.O.B. Cuba, Kansas. All stock shipped at proper planting time or as specified where possible on your order. Quantity discounts given where size of order justifies. All stock in storage during planting season except evergreens which must be dug to order. We suggest where calling for at nursery to place order a few days ahead of time so as stock can be ready. During spring rush it is sometimes impossible to fill order same day called for. We are located one mile South, one and one-half mile West of Cuba, Kansas. Load lots of nursery stock delivered to most points at no extra cost where size of order justifies. Ask about our landscape, tree maintenance, lawn service, etc.

WHOLESALE EVERGREENS			
All our evergreens are once or twice tran	asplanted,	de-	
veloping a heavy, hardy root system. We take pride			
in offering these as livability was so good in the past.			
We offer only transplants. We sell no cheap seedlings			
which usually fail to take hold under t			
where these trees are usually planted.
